Milpitas Sports Center Class Descriptions

All fitness programs are open to high school students and up. Parent/guardian must be on site during entire workout. Classes and instructors subject to change without notice.

Intensity Level of Classes: * = Low ** = Medium *** = High **** = All Levels

Body Architect: A total body conditioning class designed to improve muscle tone in all areas of the body. This workout uses weights and body bars to promote muscular endurance, flexibility and body alignment. ***

Fit for Life: Adapted for all ages and fitness levels. This fun and challenging workout improves the cardiovascular system as well as increase balance, strength and bone density. **

Hot Hula Fitness: A total body workout isolating your larger muscle groups, increasing strength and definition to your core with specific emphasis on the abs, glutes, quads and arms. ****

Interval Mix: Classes will include working with bars, weights, medicine balls, physio balls, sliders and anything else we can get our hands on with intervals of heart pumping moves! ****

Muscle Pump: Work all major muscle groups in just 45 minutes. Using light weights while performing high repetitions, you will increase core strength, tone and shape your entire body without adding bulky muscles. If you are looking to get lean, toned and fit, this is the class for you! ****

Power Up: Train like a Fitness Competitor. This is an intense 45 min total body workout specifically designed to add definition and muscle to your body! Heavy weights and other resistance tools to sculpt and tone will be used. Can't beat it, it's a must! ***

Sweat & Sculpt Interval: Using interval training, this class combines strength and toning with a cardio workout. ***

Total Body Conditioning: This class will increase overall cardiovascular fitness, including muscle strength and cardio endurance. **

U-Jam Fitness: Dance your calories away! This fun and energetic class will not only give you a great workout, but will give a few new moves for the dance floor! ***

Zumba: Are you ready to party yourself into shape? Forget the workout, just lose yourself in the music and find yourself in shape at the original dance-fitness party. Zumba classes feature exotic rhythms set to high energy Latin and international beats. Before you know it, you'll be getting fit and your energy levels will be soaring! It's easy to do, effective and totally exhilarating. **

Zumba Gold: The easy-to-follow program that lets you move to the beat at your own speed. It's an invigorating community-oriented dance fitness class that feels fresh, and most of all, exhilarating! Zumba Gold classes provide modified, low-impact moves for active older adults. ****

All Levels Yoga: Consists of fundamental yoga poses to promote perfect health, flexibility, stamina and strength. Pranayama, or breathing exercises, will be followed by exercises called Asanas and will conclude with deep relaxation. *

Feldenkrais: Helps increase your ease and range of motion while improving flexibility and coordination through a unique, gentle body centered learning process. ****

Hatha Dynamic Yoga: Similar to Hatha Yoga, this class emphasizes the lengthening and stretching of muscles. ***

Hatha Yoga: Classic Yoga postures and movement with attention to proper alignment and breathing to help increase awareness, flexibility, balance, strength and relaxation for the body and mind. ****

Lunchtime Yoga: A flowing yoga practice providing full-body stretching, strengthening and detoxification through sweating. A great compliment to any fitness regimen or sports activity. ***

Mid-Morning Yoga: Similar structure as Beginning Yoga, slightly less intense. Great exercises for those who want to achieve a general well-being, build strength, flexibility, and stamina. **

Pilates Sculpt: Focusing on the core of the body, the class strengthens, tones and develops flexibility and body awareness through controlled, concise and concentrated movements. ****

PIYo: A total-body fitness system designed to whip you into shape from head to toe. It combines the practices of Pilates and yoga to help you build strength, lose weight, increase flexibility and have a great time doing it. ****

Vinyasa Yoga Level 1: This is a moderately paced class and students continue to build awareness, strength, skill, and focus. Students of all levels will find this class accessible. Modifications are given to make the practice accessible to all students. **

Vinyasa Yoga Level 2: Yoga experience encouraged. Students must have a basic awareness of yoga postures and their own bodies and limitations and willing to modify accordingly. Various hand and arm balances and postures that require more strength are explored. Postures are often held for longer periods of time to increase strength and concentration. ***

Aquatics

Aqua Flex: This class is for those with balance and flexibility needs, offering low impact, slower paced, with little to no added resistance. It is an excellent way to rehab after knee surgery.*

Aqua Zumba: Combines some of the traditional elements of aqua fitness classes with upbeat, Latin-infused dance moves and music. ****

H₂cardIO: Come join an upbeat, fun, and cardio filled water aerobics class! Every class consists of warm up, arms, legs, core and cool down/stretch time. This inclusive water class offers a full body work out and modifications to fit all levels. ****

Kick it Up Aqua – This class is fast paced, full resistance promoting cardiovascular conditioning, toning techniques and strengthening exercises. **
